

# Otter Lake Cottagers Association

## Welcome Letter

Welcome to the many joys and wonders of Otter Lake.

Your fellow cottagers are sure you will soon come to cherish its beauty and its gentle ways as we have over many generations. Please stop or wave and say hello to any one you meet on the water or on the road. Don't be shy and we won't be either. By now we hope one or more of your neighbours has already said a welcome hello.

Otter Lake has an active Cottagers Association whose role is chiefly defined by lake health issues like water quality, lake levels, loon nesting, zebra mussels, beaver fever and the condition of the dock at Parkers Landing. Discussion and action on these issues will protect our property values and ensure a safe and healthy environment for all.

In addition, membership in the Association includes 5 winter cottage checks and an Annual Meeting/Fun Day barbecue on Saturday of the August long weekend. Everyone is welcome!

The Otter Lake Cottagers Association is a member of FOCA (Federation of Ontario Cottagers' Associations) and, through them, we keep up to date on issues of concern to all cottagers.

Membership is only \$30. The support of every cottager is needed to fund our work and preserve the quality and beauty of Otter Lake. We urge you to join by bringing your cheque, payable to Otter Lake Cottagers Association, to the Annual Meeting/Fun Day, or sending it to our Treasurer, Cliff Ayer.

Please visit the OLCA website at [www.otterlakedorset.ca](http://www.otterlakedorset.ca) for more information.
